Solved significant numbers of problems

Profile

It's been almost 1 year, I've started making money from online using my basic soft skills. Beside studying, I'm a very enthusiastic person who always prefer to learn new things and discover more and more. I'm dreaming of a society where peace really exists. In these sense, when I close my eyes, I can see I'm listening problems and trying to find the best solutions with Stethoscope and White apron.

Work Experience

- April 2023- Present
ACS Group
Flat- B1 House- 364 Road 5 Avenue 4 Mirpur DOHS, Dhaka
Typist & Proofreader
ACS is a collaborative EdTech platforms, also one of the Fastest growing EdTech in the world. Apar's Classroom is the piyoneer of this platform. And basically the students of the platform is generated from the facebook group of those collaboratioal EdTechs, specially from **ASG (Apar's Students Group)**.
- Oct 2023-Present
Zeus Studio | Baganchara, Sharsha, Jashore
Founder | Chief Of Production
Making contents in my on of the top most hobby I like to explore. And Video content is one of them. I produce videos for businusses who wants to showcase their product to their potential consumers. I'm very lucky to have a wonderful production team working with me.
- May 2024-Present
somybilash.shop | Online Shop
Owner
Basically I don't source products. I'm a registered DropShipper of DropShop.com.bd a company of BDSHOP.COM. I maintain my facebook page and website to scale my customer. Actually I invest on marketing only.
